The entrance to a woman's heart is through her eye or ear; but a philosopher has said the way to a man's heart is down his throat. Good housewives understand this, and use J. Monroe Taylor's Gold Medal Soda or Saleratus. If there are any so unfortunate as not to have tried it, go immediately to your grocer and get a paper, and our word for it, it will make a heart as hard as adamant soften and be joyful, and ever after will praise the seller of the Gold Medal Soda or Saleratus. Every Dealer sells it. Depot 114 Water Street, New York, Try it.

NICKELS COMING.

Mr. Nickels, the business manager of the famous "Nickels Clothing Palace," Catlettsburg Ky., will be in our city shortly with the finest display of Men's and Boy's fine and fancy Neckwear our "bloods" have ever witnessed. We advise all our friends who want a nice Necktie to be sure and see his line of goods. Mr. Nickels is now in New York buying his second stock of Spring and Summer goods, which we suppose will be the grandest thing Catlettsburg has ever had. We are reliably informed that his spring trade has been enormous. His first big spring purchase just captivated the "Gate City" people. Those who have heretofore been paying high prices for tailor-made goods are now coming to their senses and are getting as nice fitting garments from him already made, and at so much cheaper prices, that it is encouraging for a merchant to buy larger; and Mr. Nickels says that his second stock will very greatly surpass all his previous efforts to please. We predict if our boys were down there they would come home with a new suit of clothes. Tip is a "hustler," and everybody likes him. We wish Louisa had such a man.

Dr. King's New Discovery is now the standard remedy in the "Coleman household" and on board the schooner.
